

# Shalom to 368 Districts in Taiwan

*“Shalom Taiwan 368” is not only a gospel event but also the response to God’s love for Taiwan. Our plan is to call on each district once in every four years. We go for walks and pray, preach in night markets, hold musical concerts outdoors or indoors, and have gospel events in public places. We will share Jesus Christ to all the new friends we can reach. We will proclaim the good news of the reconciliation from God. Every four years, we travel from city to city and it will be the fifth time for us to travel again from. We are looking forward to your participation in God’s work for Taiwan. Please join us with your prayers and a donation of NT\$ 3,000 (around US\$100) for each district in Taiwan.*
